1. I will give you emotion of Me, emotions of Me, emotions of steel; steel not that does not feel, for **you will feel all; but controlled not by your feelings you will be, you are, you must be. For feelings come and go with flight, with events, and words spoken, smiles, and criticisms**; yea, the fleeting cannot affect the finale, My finale.
2. Fleeting emotions control and control in Me, by only Me, Me only in you. You surrender, surrendered to the power within; completely; desperately not; in fullness of love.
3. I love you and I give you Me. And I give you My emotion; **and I teach you day after day and night after night as you click on My recorder to record Me, to record you, to teach you** and to teach My Mine, My body who comes; beneath you not, beside you, before you and after you. Yea, and Amen. I love you and I give you Me.
4. And I thank you for counting it all joy that you have My words when at times you see only My words, you feel My presence--I love you--yet knowing you have changed so much and operate without intimidation you do, you will. Yea, even more so required, necessitated by the forces which seek to destroy with emotion; five sense plague; five sense not of Me; five sense of Me given for such enjoyment; used not against Me, no one else. And **let no one plague your emotions even momentarily in what is Me or not Me**; but laying all down before My feet for you are Mine, you chose Me and you promised, not, you promised not to revert to the ways of mere man. I love you and I give you Me.
5. I give you this day; Sonshine and radiance of only Me; sing My songs and happy be for all is and you know so much, you have so much, you are so much, and you are doing all in Me, **My value systems. My curriculum coming forth day after day**, My words to curriculum make, glean, sinew together, construction of only Me. Construction now in lands many; yea, even simultaneously, concurrently, My towers going up; My towers being built.
6. Yea, in abundance; see My yea's, My underscores, My emphasis, My italics, My large print, My calling attention to.
7. Yea, see Me, behold Me, behold all that I am and all that you are, operating in irrespective of circumstances that seem to represent Me in the visible realm; you knowing so much better, you knowing full well what reality really is. I love you and I give you Me.
8. And I share not My body with another; I share My body with those who want Me, who come, who have prayed, who have cried, who have surrendered; surrendered to My Cross/their cross, My being/their being, Me being Me in them with the fullness of

their uniqueness, their individuality, their what-I-have-given-them in the fullness of the Godhead bodily.

9. See Me; recoil, recant not, and **no emotion receive from another**, only Me; just Me; Me, Ted, Me. Thank you.

Amen.
